

STEINER

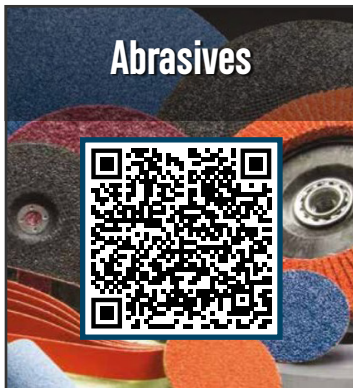

METALWORKING SOLUTIONS

Steiner's expertise in metalworking solutions encompasses the entire machine tool process for cutting tools, abrasives, band saws and blades, fluids, lubricants and machine tools.

The Steiner Metalworking team for industrial supplies maximizes productivity solutions, earning customer confidence with process improvements and cost reductions. We apply innovative technology, products, methods, inventory, and services along with our Integrated Supply team: Providing a Total Solution for our customers.

We will help you test and provide solutions that integrate the highest quality products from the industry's world leading manufacturers.

For more info about Metalworking Solutions call **1-800-323-TOOL** (8665) to speak with a Steiner metalworking representative.
